Net Zero Villages is a capital grant scheme, offered to all Local Authority members of the Cambridgeshire and Peterborough Combined Authority (CPCA). The total funding scheme is £1 million. This has been split per authority according to rural population and indicators of deprivation. Huntingdonshire District Council (HDC) has been awarded £257,376.60.

The grant is for **capital projects** to improve **community assets**. It aims to provide **rural communities** with the opportunity to apply a sustainable change to a community asset, with the aim of contributing towards the CPCA's, HDC's and national Carbon Net Zero goals.

For the purposes of this grant scheme, HDC uses definitions of **capital**, **community asset** and **rural community** as set out in the Glossary.
